## WINTERTIME AT THE AUENHOF

*Enjoy your special retreat at a wonderful place.*

As your hosts in this special time we would like to offer exactly this: More space to lodge and to be comfortable, more time to relax and enjoy. For the especially indulgent moments of life, for your wonderful holiday experience in the Arlberg mountains. A quote says “happiness starts with many bright moments, which we keep in our memories”. We wish you exactly this for your well-earned winter holidays. Take the time to find your personal bright moments during winter time in Lech. Explore some new favourite places, either on the slopes while skiing, during a winter hike under the deep blue sky or while you are on the cross-country track directly along the river Lech within the snowy woods.

Even more wonderful moments await you in our vitality world from December 2020. We would like to offer more space for you in this special time and therefore, we extended our relaxation area. The new separated loungers invite you to unwind and linger for a moment. A good book, a cup of hot herbal tea and your loved-ones at your side shall bring you far away from every day life and offer total relaxation. Our new massage rooms as well as an infrared sauna may also contribute to your wellbeing.

We wish you fantastic holidays here with us in Lech with many bright moments and special memories.

*Look through our offers and packages and look forward to the next winter with us!*

*Your family Anita and Gerald Strolz with Philipp, Viktoria & Stephan*

A DELIGHT FOR  
THE PALATE, FROM  
DUSK UNTIL DAWN

*To make your holidays  
especially tasteful*

Two very well looked after parts of the hotel are the kitchen and the cellar. Our head chef Matthias Fiebig would like to invite you on a culinary journey. He describes the hallmark of our kitchen-style as follows: Creative, new and modern. We would like to surprise you with elements of the local cuisine as well as Mediterranean influences with a twist. Aside the 6-course dinner, you are able to indulge in our luscious breakfast buffet as well as sweet and savoury delicacies in the afternoon.

The perfect balance between our wines and the cuisine is provided to you with great care by our junior hosts Philipp Strolz, Viktoria Strolz and Stephan Kainz as well as the whole service team. With a selection of Austrian and international wines as well as carefully selected rare items, each and every wine connoisseur will leave with a smile on their face. Why not commence the evening and treat yourself to a delicious cocktail at our bar.

THE MANY  
FACETS OF  
PLEASURE

EVERY ROOM  
IS A SHOWCASE

“Welcome to your holiday home.” This is the feeling that we would like to give you upon your arrival at your room. When you enter, you may instantly feel the homely and cozy atmosphere. Each of our 16 room categories offer an individual charm and lovingly placed details. Traditional and ornately crafted wood as well as precious natural materials add up to a very elegant match with modern elements. This is how we create a snug space of comfort within our little “jewellery boxes” for you. It invites you to spend a restful night with pleasant anticipation of the next day.

LET YOUR SPIRIT BLOSSOM EVEN MORE *More space for comfort, more time for relaxation.*

The separated, comfortable loungers offer enough privacy to let your thoughts wander and to get away from your everyday life. The view over the blazing fire may ease your mind and offer total relaxation.

Our new infrared sauna may contribute to loosen tensed muscles, to relieve back pain and to stimulate the blood flow. In addition, the massage room and the fitness room will be renewed and relocated within the new vitality world.

**IMMERSE YOURSELF** *Take a revitalizing bath together in the fountain of youth. Serenity for body and mind.*

The Auenhof Vitality Spa is a place of peace, relaxation and regeneration – a place where the four elements work wonders. The heart of our spa is the adventure swimming pool with its many attractions such as whirl-beds, massage jets, floor fountains, a neck massage waterfall, and a countercurrent unit. Treat your body to a rejuvenating Finnish sauna session in the charming Alpine sauna, enjoy the gentle warmth and the lovely scents of the organic herbal aroma therapy sauna, or try the laconium – an ancient custom to purify and detoxify the body by stimulating circulation. The enchanting brine-aroma-therapy steam bath has a refreshing crushed-ice well, and the relaxation room has heated waterbeds. Head outdoors to breathe the fresh mountain air and feel the earth underneath your feet – it’s nice to be so “elementary”!

## WINTER IN LECH

### *Skiing & snowboarding*

Besides the classical slopes in the skiing area of Lech, you can find a big variety of ski routes and ski tour possibilities in our area, which offer even more space to enjoy the mountain world.

**Guests, who rent their ski equipment in our ski shop, receive a 10% discount on the ski rental prices.** Furthermore we offer ski service over night, so that you have everything well-prepared in the morning.

### *Winter- & snow shoe hiking*

Experiencing the winter time with all its senses, this is exactly what happens during a hike in Lech am Arlberg. The smell of the softwood forests and the magnificent mountain views, as well as the crunching sound of the snow under your shoes and the fresh mountain air in your face, everywhere you can feel the winter from its most beautiful side.

Explore Lech on foot and enjoy a slow day in our beautiful mountain landscape.

On the 27 km long tracks through the snowy forests in Lech there are various loops you can choose, depending on how far and how challenging it may be. From Lech to Zug, from Zug to Älpele, the Spullerwald-loop track, or past the Alpe Tannläger, there are many enchanting variations.
