#### WINTERTIME AT THE AUENHOF

#### A special time in a delighted place

Already Goethe knew that "Enjoyment is not a passer-by, because the impression that it leaves behind will last forever."

Every indulgence that we experience are little moments of well-being to which we like to reminisce. They remind us of special feelings, unique moments or exceptional odours or tastes.

We are very pleased and thankful that you have chosen us as your hosts. Since you offer us your trust and lay your precious leisure time in our hands. And we may provide many little moments for you to take along on your path. As your hosts, we have adjusted our offers to pamper you and let you have a fulfilled time here with us.

Relish the culinary highlights with our tasty gourmet menu, which is created by our kitchen staff every evening. Spend moments together with your family in the fresh air and experience some active hours on the slopes, be it for alpine or cross-country skiing. Be amazed by the beauty of the nature and the forests, for example when you

visit the trail of game or bring a good book with you to sit in the sunshine on our terrace. Treat yourself to a relaxing massage or the calm and warmth of the water beds in our vitality spa. After an exciting day our rooms will offer comfort and convenience for a good night-sleep.

Our greatest desire for you is that you can experience many lasting moments, which you can take with you back to your everyday life.

Let your spirits blossom and enjoy a wonderful wintertime with us.

Your family hosts Anita & Gerald Strolz with Philipp, Viktoria & Stephan

# A DELIGHT FOR THE PALATE, FROM DUSK UNTIL DAWN

## To make your holidays especially tasteful

The perfect balance between our wines and the cuisine is provided to you with great care by our junior hosts Philipp Strolz, Viktoria Strolz and Stephan Kainz as well as the whole service team. With a selection of Austrian and international wines as well as carefully selected rare items, each and every wine connoisseur will leave with a smile on their face. Why not commence the evening and treat yourself to a delicious cocktail at our bar.

THE MANY FACETS OF PLEASURE

EVERY ROOM

IS A SHOWCASE

"Welcome to your holiday home." This is the feeling that we would like to give you upon your arrival at your room. When you enter, you may instantly feel the homely and cozy atmosphere.

Each of our 16 room categories offer an individual charm and lovingly placed details. Traditional and ornately crafted wood as well as precious natural materials add up to a very elegant match with modern elements. This is how we create a snug space of comfort within our little "jewellery boxes" for you. It invites you to spend a restful night with pleasant anticipation of the next day.

#### I M M E R S E Y O U R S E L F

Take a revitalizing bath together in the fountain of youth.

Serenity for body and mind.

The Auenhof Vitality Spa is a place of peace, relaxation and regeneration – a place where the four elements work wonders. The heart of our spa is the adventure swimming pool with its many attractions such as whirl-beds, massage jets, floor fountains, a neck massage waterfall, and a countercurrent unit. Treat your body to a rejuvenating Finnish sauna session in the charming Alpine sauna, enjoy the gentle warmth and the lovely scents of the organic herbal aroma therapy sauna, or try the laconium – an ancient custom to purify and detoxify the body by stimulating circulation. The enchanting brine-aroma-therapy steam bath has a refreshing crushed-ice well, and the relaxation room has heated waterbeds. Head outdoors to breathe the fresh mountain air and feel the earth underneath your feet – it's nice to be so "elementary"!
